After serving the Kanawha Valley for the last 26 years, we have again been voted "Best In The Valley" by the readers of the Charleston Newspapers. In these times where everyone who owns a camera is a "professional photographer," there is still something to be said for a Trained Professional, one who is licensed, insured and pays local taxes.

We love serving the Charleston Metro area and enjoy seeing the second generation of Brides and Seniors. Since 1984 we have taken thousands of Senior, Family and Children's portraits and we are looking forward to the future.

This past December, Mike traveled to the Academy at West Point NY to photograph Sarah and Brian's Wedding, what a beautiful location for a wedding!

On a personal note, Mike's daughter Cassie is now a Junior in High School. This photo was taken the day Mike decided to run for House of Delegates, 30th District. Primary Election May 11th and General Election is Nov. 2nd.
